

# Pre-University Summer School

June 29 - July 24, 2026

<https://preuni.spacie.education>  
[info@spacie.education](mailto:info@spacie.education)

## Two courses:

**Speaking and Writing Skills for Academic and Career Success (June 29-July 10)**  
**A Multidisciplinary Approach to Climate Change (July 13-24)**

- Engage with **university students from around the world**.
- Taste **undergraduate teaching from top faculty** from many disciplines.
- Enjoy guest speakers from the **business world**.
- Get training in **speaking and writing skills** essential to succeed at university (and professional life).
- Prepare for **university programs taught in English** and for being an exchange student abroad.
- Taste **university life**.
